The 16th Annual Small Farm Conference is coming up and Winona LaDuke is one of the key note speakers. Follow the link below to see all the details.

Northern Michigan Small Farm Conference | Equipping the small farm community with the tools to be successful, and creating a forum for the open exchange of ideas within the small farm community.

<http://smallfarmconference.com/>

"From Wakan Tanka, the Great Spirit, there came a great unifying life force that flowed in and through all things: the flowers of the plains, blowing winds, rocks, trees, birds, animals, and was the same force that had been breathed into the first man. Thus all things were kindred, and were brought together by the same Great Mystery."

-- Chief Luther Standing Bear, SIOUX

The Great Spirit has six things that make up this life force. They are life, love, intelligence, soul, principle, and truth. These are the reasons the life cycle continues. None of this can be altered by man, but we can have access to these powers any time we wish. Just think about it - anytime I have a need I can access one or more of these powers.

"Oh Great Mystery, let me know how to use these powers. Today, let me love life, let me know truth, let me live by principle, and let me follow Your intelligence.
