HOUSING COMMISSION ORDINANCE
Ordinance # 04-700-01

Article I. Purpose; Findings

1.01. *Purpose.* The Little River Band of Ottawa Indians has determined that it is in the best interests of its members to regulate the development of Tribal housing through a Tribal Commission organized and operated for the purposes of developing regulations to provide housing services for Tribal members; to coordinate with Federal, State, local, and private entities to further housing opportunities for Tribal members; and to provide housing programs and services for the members of the Little River Band of Ottawa Indians.

1.02. *Findings.* The Tribal Council of the Little River Band of Ottawa Indians finds:

- a. That the Constitution of the Little River Band of Ottawa Indians delegates to the Tribal Council the responsibility to govern the conduct of members of the Little River Band and other persons within its jurisdiction; and to promote, protect and provide for public health, peace, morals, education and general welfare of the Little River Band and its members[.]” Article IV, Section 7(a).
- b. That providing affordable housing in safe and healthy environments is an essential element of providing for the health, peace, and general welfare of the Tribal members;
- c. That there exists in and about the Reservation of the Little River Band of Ottawa Indians and the Tribe’s Indian Area:
 1. unaffordable, unsafe, and overcrowded dwelling accommodations;
 2. a shortage of decent, safe, and sanitary dwelling accommodations available at rents or prices that Tribal members can afford;
 3. insufficient dwelling accommodations to meet the needs of Tribal members desirous of residing within the Tribal Indian Area;
- d. That these conditions:
 1. compel Tribal members to leave the area and deter Tribal members from returning to the Manistee Reservation or Tribal Indian Area, thus contributing to the ongoing disconnectedness of the Tribal community; and
 2. impede Tribal member’s search for work in and around the Manistee Reservation;
- e. That the shortage of decent, safe, and affordable dwellings cannot be relieved fully through the operation of private enterprises;
- f. That the provision of decent, safe, and affordable dwelling accommodations are public uses and purposes, for which money may be spent and private property acquired, and are governmental functions of Tribal concern; and
- g. That residential construction activity and a supply of acceptable housing are important factors to general economic activity, and that the undertakings authorized by this Ordinance to aid the production of better housing and more desirable neighborhood and community development at affordable costs will make possible a more stable and larger volume of residential construction and housing supply.

Article II. Adoption; Amendment; Repeal; Severability

2.01. *Adoption.* This Ordinance is adopted by Resolution # 04-1016-408, which supersedes Ordinance # 96-700-01, and Tribal Council Resolutions #00-0913-01, #98-0618-01; #96-1208-01.

- a. Amendments adopted by Resolution #08-0528-155 requiring Housing Department Director to prepare annual Indian Housing Plan.
- b. Resolution # 11-0907-326, adopting emergency amendments to reduce the number of commissioners to three.
- c. Resolution #12-0229-049, permanently adopting emergency amendments.
- d. Resolution #14-0305-051, adopting on an emergency basis amendments to require that rental rates be authorized by Tribal Council Resolution.

2.02. *Amendment.* This Ordinance may be amended by the Tribal Council in accordance with the Constitution and any rules set forth governing amendment of laws of the Little River Band of Ottawa Indians.

2.03. *Severability Clause.* If any provision of this Ordinance or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.
