-

Game Play

4 Person Team Scramble Winter Rules” to be explained by the course pro and rules distributed on each player’s cart

Each player hits from the tee and selects the best drive

Each player then plays the next shot from the position of the selected ball, placing their ball within 1 club length from that spot (when putting, place the ball within six inches from where the original ball lay no nearer to the hole)

All shots must be played from the **same type of lie** as the selected shot. (Ex. If selected shot is in the rough, all shots must be played from the rough)

A tie will result in a scorecard playoff conducted by the course pro starting with the highest handicap hole moving backward until a winner is determined.
