**Resolution #16-0810-228**

*Emergency Adoption of Amendments to the Gaming Enterprise Board of Directors Act of 2010, Ordinance #10-800-03, and Renaming the Act the Gaming Enterprise Oversight Act*

WHEREAS, the status of the *Gaá Čhing Ziibi Daáwaa Aníshinaábek* (Little River Band of Ottawa Indians) as a sovereign and Treaty-making power is confirmed in numerous treaties, from agreements with the initial colonial powers on this land, to various treaties with the United States; and

WHEREAS, the Little River Band of Ottawa Indians (Tribe) is descended from, and is the political successor to, the Grand River Ottawa Bands, signatories of the 1836 Treaty of Washington (7 Stat. 491) with the United States, as reaffirmed by federal law in P.L. 103-324, enacted in 1994; and

WHEREAS, the Tribe adopted a new Constitution, pursuant to a vote of the membership on May 27, 1998, which Constitution became effective upon its approval by the Assistant Secretary-Indian Affairs on July 10, 1998; and

WHEREAS, the Tribe adopted amendments to the Constitution on April 26, 2004, which became effective upon approval by the Assistant Secretary-Indian Affairs on May 13, 2004; and

WHEREAS, the legislative powers of the Tribe are vested in the Tribal Council according to Article IV, Section 1 of the Constitution; and

WHEREAS, the Tribal Council is authorized by Article IV, Section 7(a)(1) and (2) to exercise the inherent powers of the Tribe by establishing laws through the enactment of ordinances and adoption of resolutions to govern the conduct of Tribal Members and others within the Tribe's jurisdiction and to promote, protect and provide for the public health, peace, morals, education and general welfare of the Tribe and its members; and

WHEREAS, the Tribal Council is authorized under Article IV, Section 7(f) of the Constitution to create by ordinance regulatory commissions or subordinate organizations and to delegate to such organizations the power to manage the affairs and enterprises of the Little River Band, provided that no such commission or subordinate organization shall exercise powers of the Tribal Council unless they are expressly delegated by the Tribal Council; and

WHEREAS, the executive powers of the Tribe are vested in the Tribal Ogema according to Article V, Section 1 of the Constitution; and

WHEREAS, the Ogema is required by Article V, Section 5(a)(2) to oversee the administration and management of the Tribal government in accordance with the laws, resolutions and motions adopted by Tribal Council; and

WHEREAS, the Tribal Ogema is required by Article V, Section 5(a)(8) of the Constitution, to manage the economic affairs, enterprises, property and other interests of the Tribe consistent with ordinances and resolutions enacted by the Tribal Council; and

WHEREAS, the Tribal Council adopted the Administrative Procedures Act, which identifies the processes by which ordinances may be adopted, amended or repealed, and which also identifies processes by which emergency amendments may be authorized; and

WHEREAS, the Tribal Council is authorized by the Administrative Procedures Act, Ordinance #04-100-07, to adopt, amend and repeal ordinances, and which also identifies processes by which emergency amendments and adoption of ordinances may be authorized; and

WHEREAS, Section 5.01 of the Administrative Procedures Act allows emergency action when an emergency is “imminent and [does] not allow the normal rule making processes to be conducted without causing or resulting in danger to the health, safety or welfare of the Tribe, including injury to person, property, business, or finances”; and

WHEREAS, Section 5.02 of the Administrative Procedures Act requires that a resolution authorizing emergency action clearly state the nature of the emergency and the potential harm that could be caused by a failure to act, and also that it clearly state the amendments or directions which will be taken to avoid or lessen the potential harm; and

WHEREAS, the Tribal Council previously determined that it was in the best interests of the Tribe and its members to enact a Gaming Enterprise Board of Directors Act that provides for appropriate monitoring, oversight and direction regarding the management and operation of any and all existing and future Gaming Enterprise(s); and

WHEREAS, the Tribe and the Gaming Enterprise has for the past several years been engaged in litigation with the National Labor Relations Board over whether the National Labor Relations Act applies to the Gaming Enterprise and its employees, and that litigation has concluded with a ruling adverse to the Tribe with the United States Supreme Court denying the Tribe’s petition for *certiorari* on June 27, 2016; and

WHEREAS, the conclusion of this specific case concerning the applicability of the National Labor Relations Act has given rise to a false perception that the Tribe’s Gaming Enterprise is commercial in nature, rather than an arm of the tribal government, leading to an increased willingness of third parties to challenge the sovereign status of the Gaming Enterprise; and

WHEREAS, the Tribal Council has determined that the perceived separation of the Gaming Enterprise from the Tribe’s government is exacerbated by the scope of authority

provided to the intermediate layer of the Gaming Enterprise Board of Directors, and specifically to those members of the Gaming Enterprise Board of Directors who are not elected officials of the Tribe; and

WHEREAS, the Tribal Council has also determined that more direct oversight of the Gaming Enterprise by the Tribe's elected officials is necessary for the Tribe's elected officials to fulfill their constitutional and fiduciary responsibilities to the Tribe and its members, and to provide increased transparency for tribal citizens, and that the Gaming Enterprise Board of Directors in its current format should be eliminated, replaced in part by the elected officials of the Tribe, then, at Tribal Council's election, by an Interim Oversight Task Force, and the responsibilities and duties of the General Manager revised accordingly; and

WHEREAS, the Tribal Council has determined that waiting to clarify the status of the Gaming Enterprise and to clearly vest oversight in the elected officials of the Tribe presents an ongoing risk that third parties and courts will treat the Gaming Enterprise as a commercial enterprise rather than an arm of the Tribal government, and thus these amendments to the Gaming Enterprise Board of Directors Act must be made immediately on an emergency basis; and

WHEREAS, the Tribal Council has determined that it should vest oversight of the Gaming Enterprise in the hands of the Tribe's elected officials or in the hands of an Interim Oversight Task Force on which the Tribe's elected officials have a voting role, while the Tribal Council acts to create a new permanent oversight structure more directly involving the Tribe's elected officials; and

WHEREAS, the Tribal Council has determined that the Interim Oversight Task Force shall exercise certain powers of Tribal Council, including the ability to approve and enter into contracts and waive the Sovereign Immunity of the Gaming Enterprise as provided for in the emergency amendments to the Gaming Enterprise Board of Directors Act;

NOW THEREFORE IT IS RESOLVED, that the Tribal Council of the Little River Band of Ottawa Indians hereby adopts on an emergency basis, under authority of Article V of the Administrative Procedures Act – Ordinances, amendments to the Gaming Enterprise Board of Directors Act of 2010, Ordinance #10-800-03, and renames the Act the Gaming Enterprise Oversight Act of 2010.

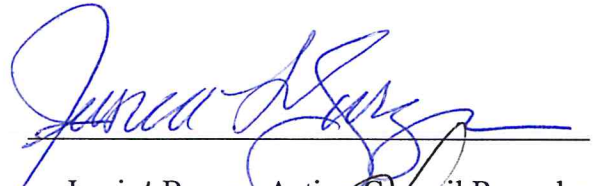

IT IS FURTHER RESOLVED, that these emergency amendments shall be effective immediately upon adoption by Tribal Council, and shall remain in effect for a period of six months, or until a permanent ordinance has been presented for public comment and permanently adopted.

IT IS FURTHER RESOLVED that Tribal Council directs that these emergency amendments be posted for public comment.

IT IS FINALLY RESOLVED that Tribal Council directs that notice of this Resolution and the emergency amendments shall be provided to the Gaming Enterprise Board of Directors, the General Manager of the Gaming Enterprise, and the Gaming Commission.
