**SEX OFFENDER REGISTRATION ACT – ORDINANCE
ORDINANCE #11-400-11**

Article I. SHORT TITLE.

- 1.01 *Short Title.* This Ordinance may be cited as the “Sex Offender Registry Ordinance” or “SORNA.”

Article II. FINDINGS; PURPOSE.

2.01 Findings:

- a. It is delegated responsibility, in Article IV, Section 7(a) of the constitution, “to exercise the inherent powers of the Little River Band by establishing ordinances through the enactment of ordinances and adoption of resolutions not inconsistent with this Constitution:
 1. To govern the conduct of members of the Little River Band and other persons within its jurisdiction; and
 2. To promote, protect and provide for public health, peace, morals, education and general welfare of the Little River Band and its members;” and
- b. It is further delegated responsibility, in Article IV, Section 7(j) of the Constitution, “to take action, not inconsistent with this Constitution or Federal law, which shall be necessary and proper to carry out the sovereign legislative powers of the Tribe;” and
- c. Article IV, Section 7 of the Constitution of the Little River Band of Ottawa Indians delegates to the Tribal Council the responsibility and authority to exercise the inherent powers of the Little River Band by establishing laws through the enactment of ordinances and adoption of resolutions not inconsistent with the Constitution:
 1. To govern the conduct of members of the Little River Band and other persons within its jurisdiction; and
 2. To promote, protect, and provide for public health, peace, morals, education, and general welfare of the Little River Band and its members; and
- d. The regulation, control, and prohibition of certain activities and conduct on the Tribe’s reservation is necessary to protect the health, security, and general welfare of the Tribe, its members, and the general public on the Tribe’s reservation; and
- e. That sex offenders present a risk to reoffend and that the efforts of law enforcement to protect the community, to conduct investigations, and to apprehend those who commit sex offenses is impaired by the lack of information available about individuals who have pled to, or have been found guilty of, sex offenses; and

- f. That the Tribal Council has determined that the Adam Walsh Act, without Tribal action, will result in an unprecedented expansion of state authority on Tribal lands and that the Tribe has a compelling interest to protect Tribal sovereignty and Tribal jurisdiction over Tribal lands; and
- g. That the Tribal Council has elected to carry out the requirements of the Adam Walsh Act as a jurisdiction subject to its provisions in accordance with Resolution # 07-0425-206, adopted on April 25, 2007; and
- h. That the Tribal Council has authorized negotiations with the State of Michigan in an effort to enter into a cooperative agreement with the State under which the Tribe would delegate certain technical aspects of compliance with the Adam Walsh Act to the State, and the Tribe executed such an agreement on June 23, 2009; and
- i. That nothing in this ordinance shall require the Tribe to provide the State of Michigan with information in excess of the information required by the Adam Walsh Act and Tribal law, other than administrative information necessary for the State of Michigan to maintain the database of sex offenders; and
- j. That the Little River Band of Ottawa Indians hereby establishes its policy to assist the efforts of federal, state, and tribal law enforcement by requiring sex offenders who visit, reside, are employed or are students within the Territorial Jurisdiction of the Little River Band of Ottawa Indians, or are employed by the Tribe, to notify and register with the Little River Band of Ottawa Indians Department of Public Safety.

2.02 *Purpose.* The purpose of this Ordinance is to implement the federal Sex Offender Registration and Notification Act (SORNA), Section 1 of the United States Public Law 109-248. Little River Band of Ottawa Indians finds that sex offenders present a risk of re-offending and that the efforts of law enforcement to protect the community, to conduct investigations and to apprehend those who commit sex offenses is impaired by the lack of information available about individuals who have pled to, or have been guilty of sex offenses. Accordingly, this Ordinance establishes a registry for offenses, the requirements of registration, and what crimes a person must register for if residing upon, visiting, are employed, or are a student within the Territorial Jurisdiction of the Little River Band of Ottawa Indians or are employed by the Tribe. This Ordinance shall be interpreted liberally to comply with the terms and conditions of SORNA as presently written or hereafter amended.
