Resolution #21-0818-210

*Emergency Restriction of General Funds for Next Generation Learning Center &
Establishing a Citizen First Priority*

WHEREAS, the status of the *Gaá Čhíng Ziibi Daáwaa Aníshinaábek* (Little River Band of Ottawa Indians) as a sovereign and Treaty-making power is confirmed in numerous treaties, from agreements with the initial colonial powers on this land, to various treaties with the United States; and

WHEREAS, the Little River Band of Ottawa Indians (Tribe) is descended from, and is the political successor to, the Grand River Ottawa Bands, signatories of the 1836 Treaty of Washington (7 Stat. 491) with the United States, as reaffirmed by federal law in P.L. 103-324, enacted in 1994; and

WHEREAS, the Tribe adopted a new Constitution, pursuant to a vote of the membership on May 27, 1998, which Constitution became effective upon its approval by the Assistant Secretary-Indian Affairs on July 10, 1998; and

WHEREAS, the Tribe adopted amendments to the Constitution on April 26, 2004, which became effective upon approval by the Assistant Secretary-Indian Affairs on May 13, 2004; and

WHEREAS, the Tribe adopted amendments to the Constitution on July 11, 2016 which became effective upon approval by the Assistant Secretary-Indian Affairs on August 24, 2016; and

WHEREAS, the Tribal Council is authorized under Article IV, Section 7(a) to provide for the public health, peace, morals, education and general welfare of the Little River Band and its members; and

WHEREAS, the Tribal Council, pursuant to Article IV, Section 7 (i)(2) of the Constitution, has the power to manage any funds within the exclusive control of the Tribe and to appropriate such funds for the benefit of the Tribe and its members; and

WHEREAS, the Tribal Council approved Resolution #20-1125-343, which adopted the FY2021 Tribal Government Operations Budget; and

WHEREAS, in accordance with Article VI, Section 6.05(a) of the Budget and Appropriations Act of 2013; Ordinance #13-100-04, the Tribal Council must

approve the re-allocation of funds within a program budget that exceeds 10% of the total original program budget.

WHEREAS, the Tribal Council finds that Emergency Adoption is warranted to address the immediate need of tribal members experiencing hardships due to the COVID-19 Pandemic and that without action the health, safety, and general welfare of the tribe is at risk; and

WHEREAS, the Tribal Council finds the need to restrict unspent general funds for the Next Generation Learning Center is warranted to prioritize the tribe's limited resources to ensure adequate response and programming to address the COVID-19 Pandemic and without such reallocation the health, safety, and general welfare of the tribe is at risk; and

WHEREAS, the Tribal Council finds that the Next Generation Learning Center, a program of the tribe, has mainly benefited non-tribal member children and that the general fund dollars used to off-set the negative operational costs are primarily due to supporting non-tribal members and the center has not come forward with a viable sustainability plan; and

WHEREAS, the Tribal Council finds that continued operations of the Next Generation Learning Center is warranted through utilization of grant dollars, self-generating revenue, and collecting of child care vouchers to sustain operations; and

WHEREAS, the Tribal Council finds the need to prioritize it's members first and it is inline with the tribe's cultural philosophy and traditions that the Next Generation Learning Center shall me limited to enrolled tribal members of the tribe, enrolled tribal members of another tribe, and first generation descendants of the tribe; and

WHEREAS, the Tribal Council finds the need for the Next Generation Learning Center to ensure tribal members are prioritized and ensure placement in the center and hereby authorizes that any tribal member needing placement shall have immediate placement if available; and

WHEREAS, the Tribal Council finds that the Next Generation Learning Center shall develop a sustainability plan in 30 days to ensure continued operations of the center; and

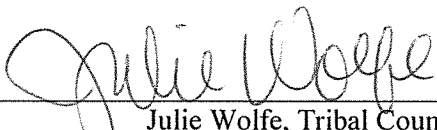

NOW THEREFORE IT IS RESOLVED THAT,

1. Tribal Council of the Little River Band of Ottawa Indians hereby approves restricting general funds to the 2021 Operating Budget for the Tribal Government Program #8012-173 Next Generation Learning Center. Except for the one month Operating Cost while the Next Generation Learning Center Sustainability Plan is being prepared not to exceed \$25,000.

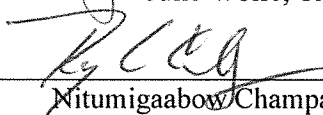

2. General Fund Restrictions can be reevaluated after NGLC sustainability plan is approved by Council.
