Hello,
Sorry for the delay on getting September in.
Looked on the wrong computer lol.
Anyway question, I will be by myself as a commissioner; Al decided that he is done and will not be serving on the commission.
What happens now?
Thank you!

Hello all,

I realize the tribe is closed today, so the health commission meeting will be this Thursday 14th, at 4:30pm law library.

Gary, Sandy and Daryl, I plan on working on the schedule for next year, what day works best for you? Or I can stick with the second Monday of the month.

Thank you!
