6. General Business: we talked about updating our By-Laws and Regulations. The By-Laws need a lot of work so we will be starting on those first. Then we will be redoing the Regulations as needed. We also talked of the need of having a lawyer present when we work on the Bylaws and Regulations. And the big need of having a lawyer at our hearings.

7. Public Comment: We had Officer Robert Robles come and talk with us about the Ordinance of: The Operations of Recreational Vehicles. At this time there are no vehicles allowed on Tribal property. The Commission has been thinking of working with our DNR about the

possibility of opening up a small trail area behind Aki for the smaller children to ride on. Mr. Robles was very informative; said he would take us for a ride next month to show us the land area surrounding Aki.

8. Closed Session: None

9. Adjourn: 12:45 pm Then had Yearly meeting 1 PM
