Registration for the conference began at 8am and continued until noon. The committee would like to thank Margaret Scott and her sister Dee for the help with packing all the bags on Friday night, and with registration on Saturday.

Lunch was served at noon, with Ron Pete saying the prayer for lunch. We had several guest speakers throughout the day such as Kenny Pheasant, Linda Hook from 44 North, Mary Witkop, and Tom St. Dennis. Each speaker had a question and answer period during their presentation. Linda North had a booth set up for any individuals that had questions regarding the Elders supplemental insurance. The Little River Band Princess as well as the Warrior Society had booths also. The presentations lasted through the afternoon right up until dinner at 5:30pm.

Following dinner was entertainment by Virgil Baker and the just for fun band until approximately 10pm.
