Hello Grace – This is to advise you that the Enrollment Commission Chairperson Charmaine Stone, Secretary Krystyne Medawis, and Commissioner Charles Fisher did not have an enrollment meeting in November. However, all three of us were on travel to the Enrollment Conference which took place in New Orleans, LA. We have submitted all of our Travel Reports to Accounting. The dates of the conference had us traveling on November 3,4,5,6,and 7.

Subject: November Meeting

Hi Char,

I contacted Grace in Tribal Council about the Tribal Council's agenda that listed that the EC did not submit a monthly report form November. I told her that the Commission didn't actually have a meeting in November and that the Commission was getting a stipend for travel/training. Grace said she needs an e-mail from you stating that you didn't have a meeting so she can put it in their file otherwise it will continue to show that the Commission didn't send in a monthly report for November.

Let me know if you have any questions. ☺
