Welcome to the Rapid River News (RRN)! The RRN is a quick view of what is happening at the Little River Band of Ottawa Indians in Manistee, MI. **February 8th, 2016**

**Progress in Muskegon!!!!** On Thursday, Ogema Larry Romanelli announced progress on the tribal project to develop at Casino in Muskegon. See the full release on page 2 and 3!

**Constitutional Changes Meeting!** Saturday afternoon, following the Elders meeting, over 70 tribal members gathered at Aki to see a presentation concerning the proposed changes to the tribal constitution. Tribal attorney Shayne Machen went over the changes step by step to help clarify what is being proposed. It was announced that there will be a forum about the changes but no date was given.

**Election Regulations 2016:** At it's regular meeting on February 3rd, the Tribal Election Board approved their new, updated regulations. The new regulations have been posted on the website at [www.lrboi-nsn.gov](http://www.lrboi-nsn.gov).

**Goonignebig Coming up February 27th!** It's definitely Snowsnake time in Michigan. See the flyer for ours on page 5. Also note that the LTBB one is scheduled for February 20th!

**Weight Loss Challenge (Tribal Government).** Some of the employees of the tribe are involved in a challenge to get healthy. The effort is being coordinated by the Ogema's LEAD team. This week they reported: "We held the monthly drawing today, based on how many times you weighed in during the first month - so if you weigh-in 3 times your number was put into the drawing three times, 2 weigh-in's 2 times and so on. The Winner was – Brandy Martin she won a \$25.00 gift card from Dunham's. We will have several random draws throughout the challenge. So congratulations to all and keep up the great effort. The LEADS want to thank the Human Resource department for supporting this challenge, they contributed \$300 towards gift cards.

**Education Department News!** The Education Department will be sending out registration forms for the Student Services program in February. Please watch for the bright yellow envelope and make sure you return the form by the deadlines. If you haven't received the registration form by the middle of March, please call us so we can make sure you receive one.

We have been processing book stipends and scholarships for students but still have some applications which are incomplete- missing grades for the previous semester or current class schedules with total number of credits. We also have applications which cannot be processed because the address on file with the tribe is not the address on the application.

**It is EXTREMELY important that you keep your address updated with the tribe.** Even when you change your address with the Post Office, you need to do a change of address here as well. Remember, you need to do a change of address for each tribal member in your household. When a parent changes his or her address, their children's addresses are not automatically changed- each person needs to have a change of address submitted.

## Board Openings!

At this time there are two openings on the Casino Board of Directors, any tribal member is free to apply. A thorough background check must be completed. For more details, please contact Mary Thomas at 1-231-398-

# Bureau of Indian Affairs Issues Scoping Report

## Process for Little River Band of Ottawa Indians' Muskegon County Gaming Project Moves Forward

Washington D.C. — The U.S. Department of Interior's Bureau of Indian Affairs (BIA) has released a Scoping Report regarding the Little River Band of Ottawa Indians' application for a proposed casino and economic development project at the former Great Lakes Downs racetrack site in Fruitport Township. The Scoping Report outlines the areas to be studied in the Environmental Impact Statement (EIS) to analyze the potential environmental consequences of the Little River Band's application for a proposed 60-acre fee-to-trust transfer and casino project.

"This is another big step for the Little River Band and the Muskegon community to bring economic development to the region," said Tribal Ogema Larry Romanelli. "The tribe was encouraged by the large turn out and positive feedback at the public scoping hearing last fall. The community feedback was important to the Bureau of Indian Affairs' ability to evaluate the potential environmental impacts of the project."

The Scoping Report describes the EIS process, explains the purpose and need for the Proposed Action, describes the Proposed Project and alternatives, and summarizes the issues identified during the scoping process. All comment letters received by the BIA and the public hearing transcript are included in the appendices to the Scoping Report, which is now available on the project website at <http://www.littlerivereis.com/>

The BIA issued a Notice of Intent on September 21, 2015, which opened a public scoping period to identify potential issues, concerns, and alternatives to be considered in the EIS. There was standing room only at the October 15 public scoping held at the Fruitport Middle School. Representatives from the Fruitport schools, business community, labor organizations and local public officials spoke out supporting the Little River Band's application.

The EIS will take a hard look at the potential environmental impacts of the project, including land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, traffic, air quality, noise, public health/environmental hazards, hazardous material and waste, public services, and socio-economics.

The Draft EIS and a public comment period are anticipated in Fall 2016. The Little River Band filed an application in February 2015 requesting the BIA to place 60 acres in trust for a \$180 million casino and economic development project. The project is expected to create more than 1,200 new jobs in Muskegon County.

(see more on page 3)

Muskegon County is the home to the Little River Band's largest population base. Muskegon is one of the Tribe's service areas and the Tribe maintains governmental offices in Muskegon to serve its members.

"The Tribe has filed an application to place land in trust to develop a casino and economic development project to improve the economic status of our tribal government," said Tribal Council Speaker Virg Johnson. "A Muskegon County casino will enable the Little River Band to better provide housing, health care, education and other services to our elders and youth, particularly those based in Muskegon County."

The Little River Band's proposed gaming and economic development project would include:

- Approximately 69,000 square feet of gaming floor space
- 1,700 slot machines and 35 table games
- 220-room hotel
- Conference and meeting room space
- Dining and entertainment options

The proposed Muskegon casino will play vital role in bringing new jobs and business opportunities as casinos have in other communities including:

- Attracting about 1.88 million visitors annually.
- Create nearly 1,500 jobs, more than 1,000 directly at casino.
- Generate more than \$60 million annually in total wages.
- Approximately \$60 million annually in purchasing for goods and services.
- During construction, generating more than 1,200 local construction jobs.
- Construction workers' income should top \$70 million.

The proposed casino has received wide support from the community including support from Fruitport Township, Fruitport Public Schools, Muskegon County, West Michigan trade unions, The Muskegon Lakeshore Chamber of Commerce and local businesses. Both Fruitport Township and Muskegon County reaffirmed support for the Tribe's Muskegon casino project with resolutions of support in June 2014.

The Little River Band has signed a Municipal Services Agreement with Muskegon County and Fruitport Township that consists of the Tribe making payments for public safety, sanitary sewer, public water construction and other services.

**“We don’t have to say or think what we don’t wish to. We have a choice in those things, and we have to realize that and practice using that choice.”** Rolling Thunder, Cherokee

Having choices makes us fully accountable. No one can make us think anything we don’t want to think. No one can determine our behavior and how we act. It’s not what’s going on but how we look at what’s going on. If someone does something and we get upset, we can change how we look at it any time we want. We can tell ourselves in the morning that the day is going to be beautiful and that we have expectations that great things will happen. Doing this daily sets our mind to look for the joy and excitement of each day.

**Great Spirit, help me to choose my thoughts with Your wisdom.**
