DNR urges boaters to ‘Spring Aboard’ for training

Boaters encouraged to enroll in safety classes prior to season

The Michigan Department of Natural Resources encourages boaters to enroll in a boating education course prior to the boating season. The reminder coincides with the national Spring Aboard – Take a Boating Education Course campaign that runs March 19-25.

“Educated boaters will have a safer, more enjoyable experience on the water,” said Lt. Tom Wanless, Michigan’s boating law administrator. “There are many safety courses across Michigan and online, making it affordable and convenient. Don’t wait until the season starts. It’s important to know what you’re doing before you head out on the water.”

Boaters born after June 30, 1996, and most personal watercraft operators must have a boater education card.

“Nationally, we are seeing an upward trend in the number of accidents and fatalities with nonmotorized vessels, which include canoes and kayaks,” Wanless said.

With this in mind, officials encourage all boaters, regardless of age or experience, to take a safety class. The U.S. Coast Guard reports that of the nationwide accidents in which the level of operator education was known, 80 percent of boating deaths occurred on vessels where the operator never received boating education. During the Spring Aboard awareness campaign, some course providers may offer discounts or other incentives for students who enroll in or complete a course. The campaign is promoted by the National Association of State Boating Law Administrators, the Coast Guard and several public and private organizations.

The following guidelines are used for submissions to the monthly Tribal newspaper, the Currents, of the Little River Band of Ottawa Indians in Manistee, Michigan:

- Articles must impact or affect the LRBOI tribal community, LRBOI tribal members or the larger Native American/Alaska Indian community.
- Precedence will be given to information generated or submitted by the LRBOI Tribal Government offices or staff; to applicable Federal (US) Government-supplied information affecting the above-mentioned communities or groups or information from tribal organizations or supportive agencies such as NCAI, NNLEA, IHS and BIA.
- Tribal member businesses or those specifically targeting the LRBOI tribal community will be given the opportunity to run free display ads, as space allows, in the newspaper.
- Notices from Tribal members will be accepted and printed, space permitting in the paper. Said notices should address:
  - Family announcements (birthdays, thank you notes, gatherings, graduations, obituaries etc.)
  - Opinion pieces or letters-to-the-editor are not allowed. The Currents is an instrument used to push useful information out to the membership of the tribe and as a government organ, it is not designed to be an opinion tool.
  - Election information:
    - As a government publication, neither the staff nor the paper may make institutional endorsements of candidates during times of elections.
    - The newspaper will carry such information as the Election Board generates regarding elections.
    - The opportunity for Candidate statements, in concert with regular scheduled tribal elections, will be made available to all certified candidates in said elections within certain editions and with equal opportunities presented to all candidates. This will also be coordinated with and through the LRBOI Election Board and the department will acquiesce to their wishes.
    - Submitted statements will be scrutinized to identify slander, libel or other potentially deleterious comments that might appear. The authors will be notified of the potential issues and requested to re-submit articles which do not present the same issues. If no corrected article is submitted, the staff of the Currents reserves the right to not run the original submission.
  - Links: References to internet links are guided by the fact that said links must comply with federal and/or state law regarding cybercrimes, civil laws such as defamation, derogatory and untruthful statement that are injurious to ones' health, safety and community standing.
- Deadlines for submission are at the close of business on the first business day of the month.

Note: Jamie Friedel was sworn in on March 22, 2017.
Native American round dance is not ballroom dancing. It is a friendship dance that has long been held as a courting activity. It is performed during a portion of a powwow and during many social occasions. The round dance has an infectious upbeat tempo and creates a simple and fun activity.

Round dances are performed during the intertribal social portion of a pow-wow. During the long winter nights Native people gather for the Round Dance, this traditional dance inspires both young and old alike. It is a time for friendship and courtship as singers strive to bring couples together too.

The April MIEA (Michigan Indian Elder’s Association) meeting was held at Little River Casino Resort April 3rd, 4th and 5th. Attendees were treated to meals entertainment and a live auction. All eleven Tribes were represented by their Delegates and/or Alternates plus additional Elders. Over 180 people attended the event. The meeting was started with the Drum, Songs and veterans posting of Flags. The next conference will be held in July.
MANISTEE — Little River Casino Resort will hold its 18th Charity Golf Classic on July 7. This annual event features a day of interactive golf complete with prizes, a gift raffle and live music with a spotlight on area charitable community service organizations to benefit from this year’s event proceeds.

The casino resort underwrites all costs associated with the event and donates 100 percent of all monies received from participant fees and sponsorship funds raised. In 2016 over $58,000 was distributed to 10 charitable organizations and has distributed over $725,000 since its inaugural event in 1999.

The West Shore Wolves Pee-Wee (U-12) team celebrates after winning the Adray League state championship played at Patterson Ice Center in Grand Rapids on Sunday. West Shore went undefeated in round-robin play, defeating Troy Express 6-0 on Friday, Metro Jets 8-3 and Big Rapids Ice Dogs 4-2 on Saturday to advance to the Championship game, in which they defeated Troy Express again, 6-1, to take the title. The Wolves ended the season with a record of 34-1-0, MAHA State Championship, ADRAy State Championship, District 6 Champions and ADRAy Gold Tournament Champions.

For the first time in nearly 17 years, the Little River Band of Ottawa Indians (LRBOI) will be conducting an assessment of the Manistee River adult spawning population of lake sturgeon. In the Anishnabek language, sturgeon is known by the name of Nmé and is the grandfather fish. Today the North American temperate freshwater fish is a protected species.

The assessment is part of the LRBOI’s Natural Resources Department’s stewardship plan to rehabilitate the population of lake sturgeon. According to the tribe’s Natural Resources Department, the assessment activity is to obtain information about the Manistee River adult spawning population of lake sturgeon and to investigate if there are any returning individuals from the Tribe’s Streamside Rearing Facility (SRF) efforts.

The study began on Wednesday, March 22, and will be conducted through the end of April, based upon previously documented sturgeon presence within Manistee Lake.

“The Little River Band of Ottawa Indians made it a priority to assess the lake sturgeon population,” said Frank Beaver, director of the LRBOI’s Natural Resources. “We will share this data with other agencies and organizations interested in the outcome of the project.”

The spawning migration of lake sturgeon will be assessed within Manistee Lake. Large mesh gill net sets will be utilized for assessment activities. The large mesh gillnetting will be within Manistee Lake near the river mouth to gather preliminary adult sturgeon data for 2017.

The assessment gill nets be set in the evening and lifted in the morning with approximately 12 to 14 hours of soak time. Fish will be allowed to recover in an onboard tank or boat-side cradle until release.

Late last year, the Little River Band of Ottawa Indians originally proposed an anchoring system for a temporary resistance board weir downstream from Manistee County’s Rainbow Bend and requested a special use permit for the U.S. Forest Service (USFS).

While the north side of that particular portion of the Manistee River is owned by the LRBOI, installing the weir would involve anchoring it to the Manistee National Forest lands on the south side.

However, after a flood of public comments and concerns about the project, the LRBOI decided to take a step back and re-evaluate.

“We received approximately 66 comments and letters from either individuals or organizations concerned with the project,” said Mark A. Herberger of the USFS. “I can say every comment we received was not in favor (of the weir construction), although many people did say they realize sturgeon is an important fish species that should be studied.

Dots and Boxes
The object of the game is to make more small squares than your opponent. To play, just draw a line from one dot to another. Alternate turns.
If you complete a square, put your initial in the square, and you get another turn. The one with the most squares at the end is the winner.

Mkwa
Traditionally the LRBOI relied on this land and water to provide the foods, medicines, tools, and shelter necessary for everyday life. Long ago the Gitchi Manitu (Creator) offered the clan system to provide leadership and to care for these needs. There were seven original clans and each clan was known by its animal emblem. The animal emblem symbolized the strength and duties of the clan. The bear is of the west, the place of darkness, dreams, and the home of the Thunder Beings. “Strong of body, heart, love and spirit.” The medicine of the great bear is among the strongest, and most endureable, known to our people. The bear is among the survivors of the great deluge, at the beginning of time as we are told.

Bear medicine is that of the herbal knowledge, of patience, understanding, and learning. Although the bear may seem slow, awkward, and unintelligent, unfortunately for those who see only with their eyes, the bear is neither slow, awkward nor unintelligent, as any genuine hunter will testify. The bear wastes nothing. He is an avid hunter and fisherman when hungry; a clown when he feels it, and a good parent and provider for his family. The bear is a powerful friend with very positive medicine, and a dangerous enemy to those who would abuse him. He does not intimidate those who seek his medicine in a right and respectful manner. He willingly teaches. Those, who seek his medicine for ill purposes, seek great and fatal danger for themselves.

Bear has great healing power given by Creator; which we are capable of learning. We must first learn how to learn from our four leg brother, and then we must learn how to apply that knowledge in a healing way. We must allow ourselves, our spirits, and our bodies to be healed. Thus, we gain the medicine to help others.

Our brother, the bear, lives his life in a natural way, with great love, respect, integrity, and honor for all living things. He knows that there is time enough for everything in his life, and there in enough of everything in life for everyone, gifted to us all by the Creator. Perhaps, herein lies part of the great secret of bear’s medicine, or prolonging all life. Bear’s power comes from the understanding that he has no control of many things, yet lives in balance with all things. He knows to seek shelter of his lodge when the Nimkiik (thunder) people walk upon our Mother Earth. He gathers and stores what he needs in the late summer and fall, relaxes in the winter, and awakens to a new and vibrant world in the spring. We can learn much from this which prolongs life.

THE LESSON OF THE CANOE

Two men had been walking along a bayou, returning to the village of their people on the main river channel, when one spotted an old canoe on shore. As they approached, the other saw some paddles laying in the weeds. “This will make our travel easier, and our burden lighter”, said the first. “We are lucky that it still floats, noted the second. They knew the way back to the river’s channel, so the men sat in the canoe – but both faced each end. Shoving off they could go nowhere, as each tried to pull the canoe in their own direction. After several tries, they decided to talk it over. They finally decided that they would get into the canoe so that the first would face the middle and the other would then face the front. The one in front would power the boat forward and lead the way – watching for trouble, while the one in back would steer the course. Working together they arrived at their village easily. One leads looking for dangers, the other steers around those dangers. Where do you sit in the canoe?

Respect
Today, it is difficult to respect all things. Today’s people don’t take the time to think, to see what is important in life. They find it easier to say, “I am not going to respect if one doesn’t respect me.” Where is respect going to begin if everyone thinks this way? Respect yourself, and respect your fellow human beings. If one doesn’t respect you, try to respect anyway, you will do good for yourself.

Camping Ground Closed
Camping at the LRBOI gathering grounds is closed until further notice due to improvements. Tentative date to reopen is June 22, 2017.

Catching the Dream Scholarship Program Great Success
ALBUQUERQUE – Catching the Dream (CTD), a national scholarship program for Native American college students, announced today that its completion rate after 30 years is 85.1% “Our scholarship program has one of the highest graduation rates ever achieved with Indian students,” reported the President, Gov. James Lujan (Taos Pueblo). “We have produced 891 graduates out of 1,265 students we have funded. We have 186 students on scholarship this year. Only 188 of our 1,265 students have dropped out,” he added.

“The national dropout rate for Indian college students is about 80%,” he went on. “We have begun efforts to change and lower this high dropout rate. The high schools our Native students attend must prepare them adequately to be successful in college. Most Indian high schools are still preparing Indian students for vocational work, such as mechanics, secretaries, and cooks.”

“We have produced 52 medical doctors, 157 business graduates, 123 educators, 28 engineers, and 120 scientists,” he added. “We have also helped to develop 40 Exemplary Programs in Indian Education. These schools are changing the face of Indian education from failure to a high success rate. Three of them, Navajo Preparatory School, Wellpinit High School, and the American Indian Charter Public School, have had one or more years with no dropouts and 100% college attendance.”

“CTD has also made 180 reading grants to Indian schools, over 150 of which have achieved outstanding improvements in student outcomes,” he continued. “The best of these schools have won awards at the state and national levels. Ganado Primary School in Arizona won the award for being the best school in the State of Arizona and won an award from the White House for being one of the best schools in the nation. These schools are using our book “Reading for College” to help their high school graduates be totally ready for college,” he said.

“CTD has also made 47 grants to Indian high schools under our Math and Science Teaching (MAST) program to help them improve their STEM curricula,” he added. “These schools are now sending much larger percentages of their graduates on to college. We have helped over 20 of them to put in math and science labs with our grants.”

The CTD website is www.catchingthedream.org. Students from any federally recognized tribe, terminated tribe, or state recognized tribe are eligible to apply for the CTD scholarship program. The scholarships are for life; students never have to apply again. They should read the article “How to Find and Win Scholarships,” do their scholarship search, then read the essay outline in the application packet and write their essay.

To begin the process, high school seniors or juniors should contact the CTD Director, Dr. Dean Chavers at CTD4DeanChavers@aol.com by sending him their scholarship essay for a critique.
Composition of the Committee
The Little River Band of Ottawa Indians Elders Committee will consist of five (5) tribal members who are over the age of 55 years. All Committee members shall be enrolled citizens of the Little River Band of Ottawa Indians.

Election of Committee Members
Election of Elders Committee will occur every two years. Notice will be posted in the September Currents Newspaper and the Rapid River News announcing the names of members running for Elders Committee. At the November meeting registered Elders shall vote by paper ballot from a list of candidates. Ballots shall be counted by the Elder Coordinator(s) and two (2) LRBOI elders.

Vacancies
Any vacancy on the Elders Committee as a result of death, resignation, or removal shall be filled accordingly. The Committee will request names of candidates from the Elders at the next scheduled meeting. Elders shall hand write the candidate's name on a paper ballot for voting purposes. Paper ballots will be counted by three LRBOI Elders in attendance at the meeting. Chairperson of the Elders will announce the new Elders Committee member.

Terms of Office
Committee members shall be voted into office by their peers and terms will be staggered. The Chairperson and one Committee member will be elected to a four year term of office. The Secretary, Vice Chairperson, and one Committee member will be elected for a two year term of office.

Delegates for Michigan Indian Elders Association
Delegates will be voted in for terms of two (2) years by tribal elders. Vote for the delegates will take place at the Elders February meeting. Elders will vote in two (2) delegates and one (1) alternate to sit on the Association Board. One must be a veteran. Delegates must be 55 years or older and be an enrolled member of LRBOI. Alternate is allowed to attend each meeting but can vote only in the absence of the elected delegate. Spouses or caregiver may travel with Delegate. Elders will pay for the Delegate's room, travel, and meals. Elders will pay for spouse's meals only. Delegate can resign at any time. The delegate resigning will send written notice to elders Coordinator. If Delegate cannot serve out their two year term the Elders will vote in a new delegate.

Meetings
The Elders Committee meetings shall be for a specific purpose as listed below.
1. Regular Meetings: shall be held on the 1st Saturday of each month. Regular meetings shall be open to the public and the announcement of the meeting date, time, and agenda will be posted in what Tribal Media is available. Regular meetings shall be held at the AKI Community Center unless otherwise specified.
2. Special Meetings: Special meetings are allowable and if deemed necessary can be initiated by three Committee members, by phone or email. Information must be recorded and approved at the next regularly scheduled meeting.
3. Annual Meeting: The Elders Committee shall conduct an open annual meeting. This meeting will be held the first Saturday of the month determined by the Elders. Business items shall include but not limited to:
   - Welcome – Elder Committee Chairperson

Inland Fisheries Harvest Opportunities

As the waters begin to open up, so do the opportunities for harvest. Walleye and steelhead can be harvested using a variety of gear types in area waters. Below is a summary of the regulations for each species. Please refer to the LRBOI Fishing Regulations Book for complete descriptions.

Steelhead Harvest

Under the 2007 Inland Consent Decree, LRBOI steelhead harvest will be similar to years past on rivers and streams within the 1836 Ceded Territory. Some specific river and stream segments where the spawning and survival of steelhead was believed to be highly successful were identified for protection. These areas are defined as “protected streams” in the Inland Consent Decree and include 11 stream segments in the lower peninsula. Harvest opportunities exist in these “protected streams” with certain limitations. “Protected streams” are identified in the LRBOI 2009 Inland Fishing Regulations under Table 4. Regulations may be obtained at the LRBOI Natural Resource Department.

General Restrictions (excluding protected streams):

For steelhead harvest not including the protected streams:

- Bag limit of three fish per day with a possession limit of six fish
- Minimum size limit is 16” (steelhead harvested under 16” that are unable to be released alive should be kept and included in the daily bag limit)
- Allowable gear types include hook and line, spears, bows, hand nets and hands
- Harvest reports must be submitted to the Natural Resources Department within 7 days of harvest
- No harvest permit is needed
- No fishing within 100’ of an electric lamprey control device and the lamprey control barrier on the Betsie River
- No fishing within three-hundred feet (300’) of any of the State’s salmon and steelhead egg collection weirs
- No use of spears or bows to harvest steelhead in the Little Manistee River from the mouth of the Little Manistee River at its confluence with Manistee Lake upstream to the Little Manistee River Weir
- No spearing in the following Upper Peninsula Streams: Chocolay River, Mosquito River; Big Two Hearted River; Little Two Hearted River; and a portion of the Anna River
- Protected Streams:
  - Spawning of steelhead allowed from April 1 to April 15. For all other methods there is a closure from March 15 to the last Saturday of April in the Lower Peninsula and from April 1 to the last Saturday of April in the Upper Peninsula
- Bag limit of three fish per day with a possession limit of six fish
- Minimum size limit is 16” (steelhead harvested under 16” that are unable to be released alive should be kept and included in the daily bag limit)
- Allowable gear types outside of the closed season from March 15 to the last Saturday in April in the Lower Peninsula and April 1 to the last Saturday of April in the Upper Peninsula include hook and line, spears, bows, hand nets and hands
- Harvest reports must be submitted to the Natural Resources Department within 7 days of harvest
- A harvest permit needs to be picked up at the Natural Resources Department at least 7 hours prior to harvest

Walleye Harvest

Under the 2007 Inland Consent Decree, lakes within the 1836 Ceded Territory were identified as either walleye lake systems or non-walleye lake systems. Regulations may differ between these lake systems depending on the time of year when walleye are being harvested. Walleye lake systems are identified in the 2007 Inland Consent Decree and a list can be obtained at the LRBOI Natural Resource Department. Tribal members are encouraged to contact the Natural Resource Department when determining whether an inland lake and its tributaries are a walleye lake system or non-walleye lake system. Additionally, specific regulations were developed for walleye harvest in streams tributary to the bays de Noc. The sections below outline the regulations and harvest opportunities for walleye within the 1836 Ceded Territory.

Walleye Lake System Restrictions

- Open all year
- Allowable gear types in inland lakes include: hook and line, spear, bow, hand net, long seine and impoundment net (see LRBOI 2009 Inland Fishing Regulations section 6.03 for definitions of gear types).
- Allowable gear types in tributaries (rivers and streams) include: hook and line, spear, bow and hand net.
- A harvest permit needs to be obtained from the LRBOI Natural Resource Department seven hours prior to harvest when using hook and line, spear, bow and hand net between April 1st – May 14th in the Upper Peninsula. Walleye harvest when using impoundment nets and long seines in wall-eye lake systems during any time of the year. Bag limit of 10 fish per day with a possession limit of 20 fish.
- No harvest permit is needed
- Minimum size limit is 14” (walleye harvested under 14” that are unable to be released alive should be kept and included in the daily bag limit)
- Harvest reports must be submitted to the Natural Resource Department within seven days of harvest.
- All other tributaries
  - Open season May 15th – End of February. There is a closure from March 1st – March 14th.
  - Allowable gear types include hook and line, spear, bow and hand net.
  - Bag limit of 10 fish per day with a possession limit of 20 fish.
  - Minimum size limit is 14” (walleye harvested under 14” that are unable to be released alive should be kept and included in the daily bag limit)
- Harvest reports must be submitted to the Natural Resource Department within seven days of harvest.

Maps and lists of protected stream segments and walleye lake systems are available at the Natural Resources Department.

Presenters Call!

24th Annual Anishinaabe Family Language and Culture Camp 2017
Manistee MI

Aanii. We are looking for presenters for this year’s camp; this will allow for plenty of time for everyone. This year’s camp will be held on July 28th, 29th 30th 2017.

If you are interested in being a presenter, we will need a presentation outline and a biography.

What We Need From You

- Two different presentation outlines and some presenters may be asked to present up to three different times.
- Each presentation should be approximately 1 ½ hours long.
  - If you have a presentation that requires a longer amount of time, please let us know in order to accommodate your workshop.
- Please also let us know if your presentation is meant to target a particular age group or other demographic.
- We also need to know if your workshop is total Anishinaabemowin immersion, if you will have a translator or if you will be presenting in the English language with some Anishinaabemowin.

Please note that if you have handouts for your presentation, you are responsible for making sure you have enough copies because there are no copiers on site.

The deadline for all of this information is May 10, 2017

Items Moved from Closed to Open Session

Speaker Johnson asked Recorder Riley if they had any items to move from closed to open.

Recorder Riley replied yes they do.

1. Motion to Move from Closed Session, B.1.a, Motion and Roll Call; B.1.b, Motion, Roll Call and Resolution; Resolution #09-0805-223 along with Resolution #16-1012-311 to Open Session

Motion Carried (6-0-1-2)

Speaker Johnson asked if anybody was going to abstain and that it was open for discussion.

Johnson said on the last two items and resolutions is that just the motion and roll call vote on those resolutions or the entire resolution.

Recorder Riley answered the motion and roll call has already been released on these. Riley said these are just the resolutions for the Contract for Tom Davis to serve as Interim General Manager and the Resolution for the Ogema to Execute the Contract with Ron Pete. Riley said they have released all the other GM Contract Resolutions and these are just two lingering ones.

Speaker Johnson said alright. Johnson asked if there was any other discussion on this item.

2. Approval of Supplemental Appropriation 2017-07-1st QTR to fund costs associated with investing in the building of the Odeno Subdivision Infrastructure

Aanii,

At this writing it is several days before the Spring Membership Meeting and less than a month before the General Elections.

Just a reminder, I have updated my Ogema webpage to hopefully provide more and better information to members. It is still a bit of a work in progress but should provide more information. Hopefully our Membership Meeting videos, and Informational Meeting videos can be placed on the site. Because this is more of a closed group to mostly tribal members and not the world-wide web, I can respond to posts on Face Book and give more clarity from my perspective.

Last week the Elder’s Committee was dissolved after more than a decade. It is very disappointing and sad. Hopefully what needs to be fixed gets fixed and resurrected soon. Little River Band of Ottawa Indians Elder’s hosted the Michigan Indian Elders Association Conference April 3-5th and the event turned out very well. Thanks to the Elders and their delegates for pulling this off in fine fashion.

The Edward Curtis Exhibit is on display at the Muskegon Museum of Art from May 11th through September 10th and we have free tickets to the event. The exhibit features Mr. Curtis’ photography of Native Americans from the late 1800s. If you will be in the area and would like to attend, please let Mary Thomas know at 1-231-398-6824 or at mthomas@lrboi-nsn.gov, and we can send the tickets or they can be picked up at the Government Center. I will also have a limited amount at the Muskegon Offices but you would need to call or email Mary for a time to pick them up.

The Groundbreaking for the 300 homes in Fruitport was held and work has begun to build the first 90+ houses. This is one of our economic development projects for the Tribe and will happen over the next several years. Additionally, 10 more houses are to be built at Aki Maadiziwin for tribal members.

Until next time…
2017 Spring Membership Meeting

To kick things off, Ogema Larry Romanelli held the Ogema Meet and Greet on Friday April 7th in the Three Fires Conference Center from 7 – 9 p.m.

The Spring Membership Meeting was held Saturday April 8th in the Three Fires Conference Center. The day started off with Registration at 8 a.m. Next were Informational booths in the Hallway of the Three Fires Conference. At 10 a.m. was the Flag Ceremony Honoring the Nations. At 11 a.m. was a Presentation by Family Services Department followed at 11:30 a.m. with a presentation by the Commerce Department.

12:00 p.m. started the Opening of the Meeting with as always, a wonderful lunch prepared by the staff of the Little River Casino Resort.

The official meeting began at 1:00 p.m. followed by a Question and Answer Period. Throughout the day was the popular gift giving, conducted by the Ogema and his staff. Many prizes were given out to members.
Meet the Candidates

Office of Tribal Council - 9 County

Gary Paul DiPiazza (Sees-Bak-Tunse)

Our Nations Prosperity is my Priority

Migwetch for allowing me to serve as your 9 County Representative. I have devoted every single day moving us closer to a better future for us all. During this time I have seized every opportunity to speak with our Governor and his staff to secure our success in Muskegon. I have worked hard on updating our hunting, trapping, gathering and fishing regulations. I have been appointed to the Board of Directors and construction task force. I have a clean background along with being issued a Gaming license. I will continue to work hard to improve our future. Such as our sewer lines, building new homes, rental properties and Renewable Energy. We have the most beautiful and updated casino that can only bring in more revenue for you. I have been working hard to bring in new businesses such as manufacturing to employ our Tribal Members. This will be a reality. I have stayed true to My Heart, voting with the best interest of my members in mind every time. I am asking for your vote to bring these goals to reality this term.

Call me anytime 1-231-298-1298

Kathy (Koon) Gibson

My name is Kathryn Gibson. My maiden name is Koon. I am the daughter of John and the late Theresa Koon. My paternal grandparents are the late James and Beatrice Koon. I have three sons, Nickolas, Jacob and Thomas. A granddaughter, Danniak and am guardian to Dominick. My husband is Brian Gibson. As a little girl, I can remember my parents taking me to tribal meetings, Ghost Suppers and Pow wows. My eagerness to learn where I came from was when I was in Junior High. A discussion was taking place on fishing and fishing rights. A class mate made a comment about how the "Indians take all the fish by gill netting" I was so angry I stood up stated you don’t know the 1st thing about us! At this point I started attending tribal meetings to learn more about our people. On my 21st birthday in 1995, I was appointed to the Tribal Council, serving for 15 years. After not having close contact with our tribe I felt loss and wanted to be reconnected. I got the job in the CHS/ EHAP Department and worked there for 15 years. I am currently working in the Human Resource Department as the Benefits Administrator. I am trying to continue to help our tribe.

Teresa Johnson

AniAnishna, My name is Teresa “Anaan Kwe” Johnson, and I am running for the Nine County Tribal Council seat. I am a traditional dancer and have been for most of my life. I am a proud mother of three beautiful children and I’m a grandmother. There are many things I would like to see change within our community, first and foremost, I would like to see us stop all the hatred directed at each other. I have been employed most of my life, from factory to my current position with the tribe. I would like to see our tribe diversify our finances and to start more business other than the casino. I believe we will only become financially sound when we start diversifying our money. I volunteer my time with people who are suffering from drug abuse and alcoholism. I understand that I would be foolish to make any promises of what I will do as Councilwoman. I will not be able to accomplish anything without your support. But I will always be here for anyone who needs me. Nine county, outlying council, or at large. We are the Gaaching Ziibii Dawa Anishnaabek. I will represent all people. This is a promise I will not waver from. I will be in the office, I will do my 40 hours plus. So I ask for your support and vote, and help me make a better day for our community, our tribe, our future. Chi Migwetch, Baamaa

Sandy Mezeske

Aani Tribal members,

With great pride I am running for a nine county seat. My mother is Anna M. (Sam’s) Lempke. I have three beautiful daughters, Niki, Jodee and Shelly plus 4 wonderful grandchildren. In 2010, I was appointed to fill a vacant seat and in 2011 was elected to serve you. I am running again to bring back integrity and common sense to tribal council. I only ask one thing from you, if you hear a rumor, or read something on Facebook about me please call me or ask me in person 231-298-4584. In this day and age you can’t believe what people are writing because everything is interpreted differently depending on how you think. During my tenure as a Tribal Council member I found attending all work sessions was one of the most important things I could do. These sessions provided me with the opportunity to ask questions, discuss the items with other Councilors to reach a consensus on the item. Please pay attention to attendance records. We need to focus on the future of our Tribe and how to better serve the membership and I promise to vote with my heart for you.

Ronald J. Pete

Aanii, I come from a family of 6 brothers and 1 sister, my Mother and Father were Art and Marion Pete. I am blessed to have an extended family: my wife Vicki, her two children and my two children. Vicki and I have 8 grandchildren in our family. My four tribal members, for those of you who do not know me, I am the current General Manager at the Little River Casino Resort. I have worked here for 11.5 years and have held a PMO license for 10 of those years. As an FYI the PMO background license check is the most thorough and rigorous licensure that I have ever been through. I have held 6 positions here at the Resort from Supervisor, Manager, Senior Department Manager, Director, AGM and General Manager. I’ve also been fortunate for the last ten years to serve as the chair for the LRBOI Elders Committee. Resort responsibilities include budget development, FTE labor budgets, financial and strategic planning, plus I had oversight of the recent renovation/construction Project at the Resort. Education: Ferris State University and UNLV William F. Harrah College of Administration

Please vote for a change, Ron

Office of Tribal Council - At Large

Michael J. Cepлина

My name is Michael J Cepлина and I will be running for the office of the Tribal Council. I was born in Wakefield Michigan in the Upper Peninsula. I am descended from Joseph and Josephine Pete. I am a family man with six children and two grandchildren. I’m the proud parent of a Marine and two Navy personnel currently serving. I was a Natural Resource Commissioner for years working on our 2007 Consent Decree and establishing laws to govern the tribe and protect our treaty rights. I’m also a firekeeper and elder. Whenever I voted I looked at how my vote affected all tribal members and not just certain families. I started working with the tribe in 2002. My jobs were: Security Officer, Treatment Plant Operator, Surveillance Operator and Tribal Councilor. As a council member, I have been liaison for Gaming & Natural Resource Commissions, worked on the Government Center Task Force and the Housing Task Force, helped draft a law that protects our families & children.
Office Of Tribal Court Appellate Judge
Berni L. Carlson

Aanii, My name is Berni Carlson and I have been honored to serve the Little River Band of Ottawa Indians, as one of the Appellate Court Justices, for the past term of office. I was married, a mother of 4, grandma of 2 and a nursing supervisor of 15 years for St. John's Healthcare P.C. I am also the secretary for the Veterans of Foreign Wars Post 7729 and Band Booster President for Oakridge Public Schools. I am running for re-election to the office of Appellate Court Judge. My education from the National Judicial College of Reno, Nevada, my experience on the bench of the Appellate Court the past 5.5 years, and my experience in my professional career, are qualities I bring with me to be able to serve The Little River Band of Ottawa Indians. I will uphold our Constitution as the decisions made, not only affect this tribe, but the tribes of this Nation. I will also continue to be fair and treat our members with dignity and respect they deserve. I humbly ask for your Support and Vote. I would be honored to be re-elected as an Appellate Court Judge.

Migwetch
Cindy Pete Champagne

I want to thank all my relatives who believed in me when I previously served as your Appellate Justice. I have served my people proudly and will be willing to continue to serve if that is the wish of our people. I worked 30 years for Eaton Corporation as a Human Resources Administrator. I worked as the Director of Human Resources at Little River Casino Resort. Each of these roles required knowledge of State, local and Federal laws, and at the Casino, knowledge of Tribal laws was necessary. I humbly served, protecting our children and families as a Binojeeuk Commissioner. I bring to the bench a restorative justice perspective versus a punitive perspective. I feel our people have a right to be tried and heard by their own. I ask for your vote for Appellate Justice. I have always been devoted about doing the right thing for the right reasons. I understand the importance of the three appellate justices on the bench and the importance of decisions coming out of the Appellate Court. I am not known to follow the crowd. I will issue a dissenting opinion in order to uphold the law and our values.

Kimberley A. Crampton (Kequom)

Boozhoo. Aanii, I, Kimberly Crampton (Kequom), am declaring my candidacy for the Little River Band of Ottawa Indians (LRBOI) Appellate Court Judge. There are about 566 Federally-recognized Tribes. About 300 of those have Tribal Courts and about 150 have Appellate Courts. LRBOI had the foresight to include an Appellate Court. Migwetch to our leadership for having the progressive thinking to include the Appellate Court. Our Court invites lay advocates to defend litigants. Lay advocates can struggle with the appellate process where the language is foreign, intimidating and scary. This can hamper them in Court. This makes the foundation for the Appellate Court. This is why I am running for the Appellate Court. Because our Court allows for lay advocates to defend Tribal Citizens, I would like to see the Appellate Procedure Rules streamlined. To expect a lay advocate to follow procedures that are hard to understand is unfair. Our language is foreign, intimidating, and scary. The lay advocate can struggle with the process. Have you ever wondered if your vote counts? Well let me tell you that every vote counts! I have decided to run for a seat on the Election Board because there are a few things that I would like to see changed and feel that I can be part of the solution.
I have been involved in the election before, sitting and waiting for the ballots to be run through the machine and was frustrated by the process. Why do we hire a company that has been associated with election fraud? And then to top it off, the Tribe pays them $10,000. Why? There has to be a more inexpensive and transparent way to have our votes counted.
I will ensure that all policies and regulations of the Election Board are carried out consistently. I will seek improvement in all areas of the Election Board and be available to all Tribal Members.
I am really encouraged by the focused leadership in our present Tribal Council. There is a renewed hope and belief in the future of Little River Band of Ottawa Indians. I ask for your support in this election!

Valerie Robinson-McDonnell
Boozhoo! My name is Valerie Robinson-McDonnell and I am running for a seat on the Election Board. I am the daughter of Wallace Robinson and Pearl (Wheilplay) Hall, and the grandaughter of Bessie (Elizabeth) Robinson-McNew, and the great granddaughter of Geo Shananquite and Cora Robinson. I am a graduate of Muskegon Community College. I have two children Samantha and Jeremy Lloyd. I have been a member of Little River Band of Ottawa Indians since 2009. Currently, I work at a law office in Muskegon. I started out as office help, and I have worked my way up to be the File Administrator for the firm. I consider myself to be a “jack of all trades” and “master of none.” It just goes to show that you can do any job you want, as long as you’re willing to put in the time and hard work. Miigwech! Please remember to vote in the upcoming election!

Edward Tyler
Aanii, I am seeking a position on the Election Board. I previously served on the Election Board, but was required to give up my seat when I ran for Tribal Council 2 years ago. I am an Elder and my grandmother was Nancy Shagonaby, who lived in Free Soil. I am a Graduate of Ludington High School and attended Grand Rapids Community College.
Qualifications: I previously held a seat on the Election Board and on the Gaming Commission (which required an extensive background check), retired from Steelcase in the engineering field. Hold 3 U.S. Patents, Crew Chief- C-130 Aircraft, member of the Warriors Society, American Legion Post #381 Honor Guard Squad, served as a Deacon on 2 Church Boards and the Kent County Traffic Squad.
I am committed to providing an accurate and honest Election system where a person’s vote is accurately recorded to their candidate of choice. The Election process is a very important aspect of the Tribal Government and must be adequately maintained.
Married 45 years, father of 3, grandfather of 5. Attend Cultural Events in Manistee, Grand Rapids, and surrounding areas, teaching my grandchildren Native American Culture by assisting with Regalia construction, taking our grandchildren to Traditional Events, never been arrested, no problems with alcohol or substance abuse, never homeless, never been sued.
I would appreciate it if you would vote for me to be on the Election Board this coming spring.

General Election Ballots have been mailed by the election service company. Please fill out as instructed and sign back of envelope.

Procedures for Establishing Candidacy

To Run for Office a Tribal Member must obtain, complete, and submit a Declaration of Candidacy packet during the period listed in the Election Calendar.

The Primary Election will be conducted by secret mail ballot. The homes of registered voters shall be designated as polls for voting purposes. You must be a registered voter with current mailing information on file with the Enrollment Department to receive a ballot. The ballot counting will take place in the Lodge and the counting process begins at 12pm.

A copy of the Election Board Office Hours has been included in this mailing and will be from October 3, 2016 through October 28, 2016.

The General Election will be conducted by secret mail ballot and central polling place. The homes of registered voters shall be designated as polls for voting purposes. You must be a registered voter with current mailing information on file with the Enrollment Department to receive a ballot. The central polling place will be located in the Lodge at the Government Center, 2608 Government Drive, Manistee, MI. Ballot counting process begins at 12:00pm.

If a candidate wishes to have their photograph and biography included in the Special Election Newsletter, the candidate must include the photograph and biography in their packet.

The Tribal Constitution has recently been amended by a vote of the Membership. The Election Board will be posting revisions to the Chapter 3 and 4 Election Board Regulations to reflect the Constitutional amendments. If enacted, these changes to Chapter 3 and 4 will be in effect for this election.

One of the Constitutional changes is that the Election Board is required to perform background checks for the position of Tribal Council, Tribal Ogema, and Tribal Judiciary. The background checks paperwork must be filled out and turned in with your Declaration of Candidacy Packet along with a fee to cover the cost of the background check service. The Election Board is researching check services and the amount of the fee will be included in the Candidacy Packets. Only cash and money orders will be accepted.

Food Distribution Program (FDPIR) was created by congress in 1977 Food Stamp Act as an alternative to the Food Stamp Program for Indian Reservations. The program offers commodity to low income Native American households. No household may participate in both the Commodity Food Program and Snap Program, but eligible households can switch from one program to the other at the end of each month. Eligibility and participation for FDPIR are based on application and certification requiring tribal status, income and resources qualification, in determining who is eligible for the program. We are federally funded by the USDA and they set the regulations and guidelines for the Commodity Program.

Anishinaabemdaa

Anishinaabemdaa is now on Facebook! Let me share how this all happened. I got this idea while I was on vacation last summer. I wanted to put a weekly lesson or teaching on a page on Facebook and for that lesson to stay and be viewed over and over again. So our Historic Preservation and the Information Technology department got together and made it work. Back in October 2016 I started posting written lessons only and right away we were reaching several hundreds of people. I was very pleased with the results so about the middle of December we started posting video lessons then the numbers really started to climb. Mack Brushman is a very talented man, he does all the editing and makes the videos look very professional.

On Monday January 23 2016 I posted a video that I created as a request from the viewing and listening audience. They were asking me how to pronounce the words that were not recorded so I recorded them. On Tuesday afternoon I was curious of how many checked the post, there 3,969 views and the numbers are still climbing and by Friday morning we were at 6,211 views. So help yourself to some language, teachings, stories, jokes, phrases and so on. The website is still very popular and is being used by many universities, colleges and school districts in this part of the United States and Canada.

Success Story
Utilizing Workforce Development Components

Back in September 2015, a LRBOI Tribal Citizen completed academic requirements for a high school diploma. Once confirmation was received from the academic institution, Workforce Development awarded him with a GED/Adult Education Completion Voucher. In May 2016, the same Tribal Citizen participated and completed a corrections training program through a county sponsored sheriff’s department academy. Workforce Development helped him pay for some of his required training equipment through the Development and Training component. In June 2016, the Tribal Citizen was hired as a Corrections Deputy with a county sheriff’s department qualifying him for a Career Assistance Voucher through Workforce Development.

We want more Success Stories. Let us know how we can help!

NOTICE OF INTENT TO CONSTRUCT M-22 REALIGNMENT ROAD PROJECT
The Little River Band of Ottawa Indians (LRBOI) along with the Bureau of Indian Affairs hereby announces their intent to reconstruct the north leg of the M-22/US-31 intersection during the M-22 Realignment Road Project MDOT I.D. NO. 44801. The project is located within the Michigan Department of Transportation’s road right-of-way within Manistee County, Michigan. The project starts at the M-22/US-31 intersection and extends 0.08 miles north along M-22. The total project is located in Sections 28, Township 22N, and Range 16W. The project is scheduled for construction during spring of 2017 construction season and shall be completed by June 23rd, 2017. Work consists of realigning M-22 and extending the right turn lane along the west side of the preexisting road. This work would include HMA removal, re-grading of aggregate base and repaving to realign and widen M-22. In addition, new curbing and truck aprons will be installed for traffic and storm water control.

NOTICE OF INTENT TO CONSTRUCT GATHERING GROUNDS SITE IMPROVEMENTS PHASE 1 ROAD PROJECT
The Little River Band of Ottawa Indians (LRBOI) along with the Bureau of Indian Affairs hereby announces their intent to preform site improvements during the Gathering Grounds Phase 1 Road Project I.D. NO. F60-48212. The project is located on the Little River Band of Ottawa Indians’ Properties within Manistee County, Michigan. The total project is 5.65 acres in size and is located in Section 27, Township 22N, and Range 16W. This project is scheduled for construction during spring of 2017 construction season and shall be completed by June 23rd, 2017. Work will include grading and installing sand subbase, aggregate base, and HMA surface, as well as concrete curbing, side-walk, lighting and landscaping. In addition, campsite power and signage will be installed for fifty-four sites.

**Straw Bale Gardening Workshop**

**Wednesday, May 10**
6pm - 7:30pm

Tribal Government Center

Hands-on workshop for creating a small, easy-to-reach, soil free and weed free garden from a simple bale of straw

Straw bale gardening is fun, easy and economical. If you have poor soil, little space, if you rent and can’t dig a garden in your yard, if you find bending and kneeling to work in the garden to be difficult, straw bales can help—join us to see how!

Sponsored by Little River Band of Ottawa Indians’ Education Department | Anyone is welcome!

Commission, Committee and Board Stipend Payments Collected for the Fiscal Year in Accordance with Resolution #03-0813-248

1. Commissions are created to regulate and manage within a subject matter or activity.
   - Membership: A commission has at least three commissioners who shall be appointed by the Ogema and approved by the Tribal Council.
   - Authority: A commission shall be granted sufficient legislative authority to allow the commission to create regulations to govern in the subject matter jurisdiction.

2. Commissions are created by adoption of an Ordinance which sets forth the legislative requirements, direction, limitations, restrictions or other directions regarding a subject matter. Upon adoption of an Ordinance, the commissioners shall be identified and directed to develop and present by-laws.

3. The Tribal Council shall establish Tribal Committees, as needed, in areas of governance and development. The Committees shall be composed of Tribal members and other interested persons who shall meet and discuss specific issues in order to provide information to the Tribal Council so that the Council can make better informed decisions that affect the Tribal community. In furtherance of this purpose, this Policy will provide rules for the organization, functions, responsibilities, and requirements of Tribal Committees.

4. The Commissions Ordinance states that “The Tribal Council liaison shall be responsible for identifying a contact number and office location at which the commission may leave documents, messages, requests, and other like information. The Tribal Council liaison may attend meetings, but is not required to do so. The Tribal Council may attend all closed sessions of a commission subject to the discretion of the Commission.”
