

Gaming Commission Regulations
Regulation #R400-04-GC-04

Chapter 4 - Notifications and Reports Regulation

Section 1. Purpose; Authority

- 1-1. *Purpose.* The purpose of this Chapter is to ensure delivery of incident and statistical reports by each gaming enterprise to the Gaming Commission which are required by applicable internal control standards or regulation, or which will otherwise assist the Gaming Commission in performing its regulatory responsibilities.
- 1-2. *Authority.* These rules and regulations are issued under and pursuant to the authority of the Gaming Ordinance, #10-400-01, Gaming Commission Ordinance, #04-400-04, and Commission's Ordinance, #04-150-01.

Section 2. Definitions

- 2-1. *General.* For purposes of this regulation, certain terms are defined in this section. The word "shall" is always mandatory and not merely advisory. Unless defined elsewhere, terms defined in this Chapter and the Gaming Ordinance and Gaming Commission Ordinance are defined for the purposes of all Gaming Commission regulations.
- 2-2. *Licensed Employee* means any employee who has received a license from the Gaming Commission.
- 2-3. *Notification* means written notice, fax or other electronic transmission notification required by these regulations is provided:
- a. to the Gaming Commission by delivery to the Gaming Commission; or
 - b. to the General Manager of the gaming enterprise unless the Gaming Commission is notified in writing of a specific employment position which is responsible for accepting notices and reports on behalf of the gaming enterprise.
- 2-4. *Report* means a document containing information organized in a narrative, graphic, or tabular form, prepared on or ad hoc, periodic, recurring, regular, or as required basis. Report may refer to specific periods, events, occurrences, or subjects, and may be communicated or presented in oral or written form.
- 2-5. *Sender* means any person or entity that is sending any document, report or communication via hard copy or electronic transmission.

- 2-6. *Slot Conversion* means the alteration, re-programming or replacement of a gaming machine game program EPROM or other equivalent game software media to change the game program or denomination of any slot machine.
- 2-7. *Slot Machine Change* means the physical replacement of a slot machine with a new machine or movement of a slot machine to a new location on the floor of a gaming enterprise.
- 2-8. *Slot Machine Upgrade* means the replacement of slot machine software with a newer version of the same software; this does not change game theme, payout or game operation.

Section 3. Submission of Required Notifications and Reports

- 3-1. Notifications and reports must be delivered to the Gaming Commission. During non-operational hours of the Gaming Commission, the notifications and reports shall be placed in the mailbox outside the Gaming Commission office unless delivered electronically.
- 3-2. It is the responsibility of the sender to verify the delivery/receipt of any electronically delivered report, document or communication to the Gaming Commission.

Section 4. Slot Notifications

4-1. *Slot Machine Change*

- a. Prior to moving any slot machine to a new location on the gaming floor of any gaming enterprise or changing the orientation of a slot machine, a representative of the gaming enterprise shall provide twenty-four (24) hours' notice to the Gaming Commission.
- b. The notification to the Gaming Commission must include a complete list of the slot machines proposed to be moved or re-positioned, including the number assigned to such slot machine(s) and the proposed new location(s).
- c. Prior to any software upgrades, a representative of the gaming enterprise shall provide twenty-four (24) hours' notice to the Gaming Commission.

4-2. *Replacement of Slot Machine; Addition of New Slot Machine*

- a. Prior to replacing any slot machine on the gaming floor, or adding a new slot machine to the gaming floor, a representative of the gaming enterprise shall provide five (5) calendar days' notice to the Gaming Commission.
- b. The notification to the Gaming Commission must include a list of the slot machine(s) proposed to be replaced, including the number assigned to such slot machine(s), the location(s) of such slot machine(s), the theme of the

new slot machine, the manufacturer, par sheets, specific pay table identification, approval letters, software type, software number(s) and any other information requested by the Gaming Commission or its staff.

4-3. *Slot Machine Game Conversion*

- a. Prior to conversion of any slot machine game or denomination conversion, a representative of the gaming enterprise shall provide not less than five (5) calendar days' notice to the Gaming Commission.
- b. The notification to the Gaming Commission must include a list of the slot machine(s) proposed to be converted, including the number assigned to such slot machine(s), the location(s) of such slot machine(s), the name of the new game, the manufacturer, par sheets, specific pay table identification, approval letters, software type, software number(s) (if applicable) and any other information required by the Gaming Commission or its staff.

Section 5. Table Games Notifications

5-1. *New Table Games.* Before any new table game is introduced at a gaming enterprise, management of the gaming enterprise must complete the following requirements:

- a. An Agenda Request seeking approval must be submitted to the Gaming Commission not less than twenty (20) calendar days prior to the proposed start date.
- b. All proposed rules and procedures must accompany the Agenda Request submission.

5-2. *Table Moves.* Before any existing table game is moved to a new location on the gaming floor, the Gaming Commission must have received not less than twenty-four (24) hours' advance notice. The Gaming Commission must also verify appropriate surveillance coverage prior to the game re-opening.

Section 6. Camera Coverage Notification

6-1. *Existing Camera Coverage.* The gaming enterprise shall provide the Gaming Commission with three (3) calendar days advance notice for requests changes (add, remove, reset, etc.) to camera coverage.

6-2. Where any change to camera coverage is not requested three (3) calendar days in advance, the gaming enterprise shall be charged \$1,000.00 to cover costs associated with the change.

6-3. The gaming enterprise shall confirm with the Surveillance Department that any addition of signage, movement of slot machines, or introduction of other equipment

to the gaming floor does not inhibit current camera coverage and does not inhibit coverage once cameras are adjusted prior to the use of such items or equipment.

Section 7. Accounting and Auditing Reports

- 7-1. The gaming enterprise shall ensure that the Gaming Commission is provided copies of the following reports as prescribed below.
- 7-2. The types of reports identified in this Section are the more significant ones noted in the Minimum Internal Controls (MICS); however, there are other reports that the Minimum Internal Controls (MICS) require the gaming enterprise to generate and forward to the Gaming Commission.

Section 8. Required Notification to the Gaming Commission

- 8-1. A representative of the gaming enterprise shall notify the Gaming Commission’s Surveillance Department immediately for any of the following events. For purposes of this Section, the term “immediately” means verbal notification (via radio or telephone) as soon as practical. Failure to comply with any required reporting requirements set forth in this Section may result in a \$1,000.00 fine.
- a. A payout and/or jackpot of \$1,200.00 or greater from any slot machine.
 - b. A payout and/or jackpot of \$10,000.00 or greater from any table game.
 - c. All jackpots of \$35,000.00 or greater from any a slot machine or table game. The Gaming Commission Compliance Department **must** verify the jackpot **before** a gaming enterprise can pay out any such jackpot.
 - d. Accident or other incident resulting in damage to gaming equipment or electronic data processing (EDP) equipment used in connection with gaming operations.
 - e. The arrest of any person at the gaming enterprise.
 - f. If an outside law enforcement agency is on property.
 - g. Failure of the slot accounting system, progressive system, or power failure.
 - h. Restriction of a former or current employee of the gaming enterprise.
 - i. Any suspicious or suspected criminal activity.

8-2. *Adoption, Amendment, Repeal of System of Internal Controls; Processes*

- a. Approval of any revisions to System of Internal Control Standards must be requested from the Gaming Commission in writing twenty (20) calendar days from the proposed start date.
- b. The Gaming Commission may provide, by resolution or order, exceptions to the approval processes.

Section 9. Job Descriptions

- 9-1. The Human Resources Department must forward to the Gaming Commission a copy of all job descriptions and organizational charts (including when modified or discontinued).

Section 10. Hours of Operation

- 10-1. The gaming enterprise shall operate 24 hours a day, 7 days a week, 365 days a year. Management of the gaming enterprise may request that the hours of operation be changed, by submitting a written request to the Gaming Commission Chairperson. The request must be approved or denied by the Gaming Commission.

Section 11. Failure to Comply

- 11-1. Failure to comply with any required reporting requirements set forth in this Chapter may result in the following fines, unless defined otherwise within the Chapter (Sections 6 and 8) or by Gaming Commission Order.
- a. Warning – first offense
 - b. \$200.00 – second offense
 - c. \$500.00 – third offense
- 11-2. Offenses shall be cumulative within a six-month period from the date of the last offense.
- 11-3. All fines are assessed against the gaming enterprise.
