If any types of these changes occur in the household prior to the re-certification, the head of household must inform the Housing Department within seven (7) days. Failure to update this information within seven (7) days is grounds for eviction from the unit.

s. *Prohibition of subleasing.* The resident shall not take in boarders or sublet the unit.

t. *Security deposit.* The resident is required to pay a security deposit in the amount of one month's rent. The deposit shall be refundable at the time of move-out, provided that all conditions, obligations and requirements of the Housing Department and lease agreement have been satisfied.

u. *Other responsibilities/obligations under lease.* The resident is responsible for

complying with all other responsibilities/obligations stated in the lease.

Section 5. Certification Process (See 24 CFR Part 1000.128)

5-1. *Annual reexamination.* Residents are required to re-certify on an annual basis. The Housing Department shall follow these procedures for the annual reexaminations.

a. *Scheduling.* The date for re-certification will be within 15 days before the end of the lease agreement. Re-certification includes verifying information needed to determine rent payments and other vital information concerning the family's composition and records. The Housing Department shall notify the resident in writing of the need to re-certify and set a date and time for the re-certification.

b. *Notice of changes.* Within 14 calendar days of the completed re-certification process, the resident shall be informed in writing of any changes in the required monthly rent and the effective date of these changes.

c. *Adjustments to rent payments.* After the annual re-certification process is complete, an adjustment in rent amount will be made effective the month immediately following the re-certification. Increased rent adjustments will be made retroactively unless the Housing Department determines that re-certification was delayed by the Housing Department and that the resident was in no way at fault. Decreased rent adjustments will be made retroactively only if the Housing Department determines that the re-certification was delayed by the Housing Department and that the resident was in no way at fault.

d. *Other required information.* The resident may be required to submit additional information at re-certification if the Housing Department deems it necessary to complete the family's records or to assist in determining income and rent. Information that may be required includes, but is not limited to, social security cards (numbers) for new family members/occupants, divorce decrees, and receipts for various expenses.

e. *Proof of Continuing Disability.* The Housing Department shall request proof of continuing disability for occupancy in the tribally owned ADA-equipped homes at least annually.

5-2. *Interim re-examination.* The resident may request a re-examination of income and/or re-certification if circumstances have occurred which would affect the monthly-required rent by increasing or decreasing it. Examples include, but are not limited to, raises, loss of job, new job, and an additional occupant in the home. The Housing Department will process these requests on a first-come, first-served basis.

5-3. *Special re-examinations.* If it is impossible to determine a family's actual income due to unstable conditions such as fluctuating or sporadic employment and income, the Housing Department may set a date for a special re-examination, when the family's economic condition is likely to be more stable. The Housing Department may use alternative methods of calculating annual income in cases where an accurate estimate of income cannot be arrived at or computed.

5-4. *Adjustments due to errors.* If the Housing Department made an error in calculating a resident's rent that was subsequently discovered by either the Housing Department or resident, a retroactive adjustment shall be made to the effective date of the improper adjustment. Errors which are caused by the resident may also be made retroactive if the Housing Department feels that the errors were committed willfully, in an effort to receive a reduced rent.

5-5. *Failure to comply or properly report information required.* If a resident fails to provide information or provides false information for a required re-certification, it is considered a breach of the lease and is grounds for termination of the lease agreement. Providing false information to or withholding information from the Housing Department may be considered fraud, which is a

crime punishable under the law. If a resident fails to respond to the letter requesting recertification information, a written notice will be sent out with a deadline for submission of information. If the resident fails to meet the deadline, the Housing Department shall notify the resident of the breach of the lease agreement and proceed with eviction procedures outlined in the lease agreement.

5-6. *Suspension of payments.* The Housing Department may suspend the required monthly rent for a specified period of time due to unusual circumstances, such as substantial rehabilitation/repair work being performed on the unit/house. 6-4. *Annual inspection.* After the initial inspection is completed, inspections shall be conducted by the Housing Department on an annual basis.

a. *Notification.* The Housing Department shall provide the resident with written notification of the scheduled inspection at least 15 days prior to the date of the inspection. The notice shall state that the annual inspection is a requirement of the lease agreement and give the date and time of the inspection.

b. *Inspection procedure.* The Housing Department shall conduct a thorough inspection of the interior, exterior, and adjacent grounds of the home. The resident shall sign the inspection report, which contains the results of the inspection.

c. *Deficiencies.* If the inspection reveals any deficiencies in the condition of the home, the resident shall be given 30 days to correct the deficiencies, at which time a follow-up inspection shall be scheduled.

d. *Follow-up inspection.* The Housing Department shall conduct a follow-up inspection to determine if the deficiencies have been corrected. The resident shall be notified and given the opportunity to be present at the inspection. If the resident has not corrected the deficiencies, the Housing Department may terminate the lease in accordance with the terms of the lease agreement, or perform the necessary work and charge the resident.

6-5. *Special inspections.* In addition to the annual inspection, special inspections may be required by the Housing Department if the resident has received unfavorable inspection reports in the past or if the Housing Department receives information that warrants a special inspection. Special inspections may be required as a condition of initial occupancy if the resident has a poor record of homecare at past residences. Written notice shall be provided 24 hours prior to the inspection.

6-6. *Move-out inspections.* Upon termination of the lease, the Housing Department shall conduct a move-out inspection. The resident or representative shall be given notice of the inspection so that they may be present at the inspection. The Housing Department shall prepare an inspection report to be signed by the resident. The report shall include an account of any deficiencies noted, a written estimate of the amount (dollar value) of work required, and a statement which gives the resident 14 calendar days to correct the deficiencies. If the deficiencies are not corrected by the

deadline, the Housing Department shall correct the deficient items and charge the resident's security deposit account for the work. If the amount of the work exceeds the resident's available balance, the Housing Department shall bill the resident for the amount outstanding.

Section 7. Transfer policy

7-1. *Requirements for transfer.* Any residents requesting a transfer to another home must do so in writing. All transfers are subject to availability of another home. The Housing Department may approve transfers for the following: size of unit not compatible, change in income level, employment and/or education. Two families may transfer (trade) units if both parties agree that it is in their best interest, and the Housing Department approves.

7-2. *Families must be up-to-date on rent.* In order to transfer, a family must be up-to-date on the rent for the home they are currently occupying.

7-3. *Maintenance and repairs performed.* All necessary repairs and rehabilitation of the unit shall be charged to the current resident prior to move-out. If the total amount of charges is unclear, a good faith estimate shall be provided by the Housing Department.

8-3. *Severability Clause.* If any provision of this regulation or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this regulation which can be given effect without the invalid provision or application, and to this end the provisions of this regulation are severable.

8-4. *Compliance.* In regards to compliance with this regulation, substantial compliance with the spirit of this regulation rather than complete compliance is acceptable.

8-5. *Sovereign Immunity.* Nothing in this Regulation shall provide or be interpreted to provide a waiver of sovereign immunity from suit of the Tribe or any of its governmental officers and/or agents.
