Possession and Transportation

A legal and current Tribal Identification Card and transport tag is required to take, transport and possess black bear. The transport tag is only valid in the specified bear management unit. The hunter must immediately fill out the transport tag and attach it to the lower jaw of the bear.

If checked at a state-run or other tribal facility, Tribal Members must notify the LRBOI Natural Resources Department of the harvest and location of registration. (see page 7).

Hunters may present the entire carcass or just the hide with claws, head and teeth still attached. The sealed registration tag must be retained until all the meat is consumed or disposed of.
